## MONOLEC® ENGINE OIL (8820)

For heavy-duty, long-drain service in diesel and gasoline engines. Contains shear-stable viscosity modifier to achieve the higher VI required to span the SAE 20W-50 grade. Exceeds Mack, Cummins, John Deere, Allis-Chalmers, Detroit Diesel, Ford, GM, Chrysler, Caterpillar, and other manufacturer's requirements. Excellent for use in motorcycle engines.

- ▶ Exceptional rust protection
- ▶ High detergency level keeps engines clean
- ▶ Improves fuel efficiency
- ▶ Increases engine life
- ▶ Keeps oil rings and screens clean, open and free flowing
- ▶ Non-foaming
- ▶ Prevents bearing corrosion
- ▶ Provides all-season, all-weather performance
- ▶ Reduces wear
- ▶ Contains MONOLEC®, LE's exclusive wear-reducing additive

### MONOLEC® ENGINE OIL (8820) SUCCESSES IN:

- + MOTORCYCLES
- SPRINT CAR

### Customer Testimonials

"By using your products, I can put failures due to improper lubrication completely out of my mind."

more ...

Lowered Engine Operating temperature 10-15° Over the Previous Engine Oils Used
